Trail
**Hop in the car** and get ready to explore the farms, flavors, and fun of Northampton County, PA! Our self-guided county Day Trips take you to local attractions, farm-to-table restaurants, roadside farm stands, wineries, breweries and more. Travel rural roads sprinkled with 19th century bank barns and stone farm houses, or venture into the vibrant urban centers of Bethlehem and Easton to discover the art and history of the county.

Agriculture is an important part of life in Northampton County. Early European settlers arrived in the county in the first decades of the 17th century, shortly after William Penn arrived in Philadelphia. Today, farmers are still cultivating and caring for the land, and many of them want to share their passion and bounty with you!
